Incumbents Altman, Goodlett qualify for reelection campaign

THOMAS ALTMAN filed re-election for his fifth two-year term on the city commission.

BELLE GLADE—When qualifying opened Friday for the Sept. 14 municipal election, incumbents Thomas Altman and Charles Goodlett were at city hall when it opened to file their

qualification papers. Two of the five City Commission seats are up for election. The two seats are the at-large seats on the commission.

Commissioner Goodlett is running for

his second term in Group Two. A former Chief of Police and Public Safety director for 30 years for the city, Goodlett was first elected to the Commission in 1980.

Goodlett said he

hopes to retain his seat and continue with the work of getting the water and sewer improvement project on line. He said the commission is in the process of taking bids on the water plant work and is just beginning discussion with its engineer on the design of the expanded sewer plant.

He also said if he is re-elected he plans to stand firm on his contention that the commission should hold the line on taxes during the upcoming budget session.

"It's my feeling and hope we can operate without interfering with the millage," he said.

When Goodlett ran for the commission in 1980, he said he made a promise to establish a more economic government.

He said the city has made some major cut-

backs in the number of employees and city vehicles, but feels services remained the same or are better in most areas with the decreased expenses.

"We made progress and it's my intention to continue on with that program," he said.

Goodlett also said he would like to see a better maintenance program at the new city marina.

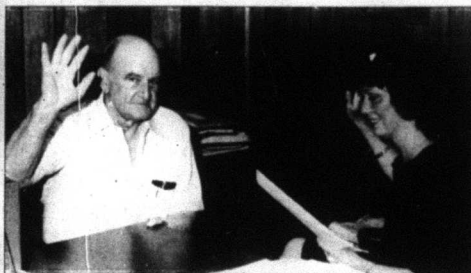

Commission Goodlett resides at 1824 W Canal St.

Mayor Altman is seeking his fifth two-year term as the Group 1 representative.

A stock broker for E.F. Hutton, Altman was re-elected to the Commission in 1980 without opposition.

In deciding to seek a fifth term, Altman said his major goal is to finalize an economic development package which he initiated dur-

COMMISSIONER CHARLES GOODLETT was one of two incumbents filing for re-election to the Belle Glade City Commission on Friday.

Three suspects nabbed in Tuesday lottery raid

BELLE GLADE—Two men and a woman were arrested on lottery charges Tuesday evening, July 20, by the Belle Glade Police Department.

According to the department release, J.L. Foster, 44 of 549

West Avenue A in Belle Glade and James Lee Chalmer, 46, of 416 Southwest Avenue B of Belle Glade were charged with conducting a lottery.

Hilda Mae James, 26, of 241 Northwest 11 Street number four

in Belle Glade was arrested for aiding in conducting a lottery.

All three are in Palm Beach County Jail under \$1,000 bond.

According to Detective Michael E. Johnson, the arrests, which took place at the

Kentucky Fried Chicken at 800 West Canal Street South in Belle Glade, concluded a two week investigation.

Police also confiscated \$3,000 in United States currency

(Continued on Page 2)

Pahokee police seeking armed robbery suspects

PAHOKEE—Pahokee police are seeking two suspects in connection with the Thursday evening, July 15, armed robbery of Foodway grocery store. Sam Boris, 35, of 2398 East Main Street, was leaving the store with the day's receipts at about 8:40 p.m. when he was followed across the parking lot by two Latin males in a silver 1982 Oldsmobile Cutless.

The automobile pulled up along side of him and he heard someone say "Give me your money" times.

According to a report by Patrolman Mike R. Harlow, Boris then realized that he was facing a 20 gauge shotgun.

Boris turned over the bank bag containing an undisclosed amount of money and was told to run in the opposite direction.

He followed directions and turned around when he heard the automobile leave to get the license number: FZZ 515.

The automobile was located the next day at the commissary at Bryant sugar mill. A search of the auto uncovered a shotgun.

The car was stolen in Coral Gables and the tag in Miami, according to Harlow.

THE PHONE COMPANY'S new central office in Pahokee was too heavy for the crane that was rented to lift it. The story is on page 3A.

Inside

Duda wins the B Division title in the city league. Its opponents in the play-offs will be Everglades Farm Equipment and Theo's Sports are on 7A.

The county district lines have been redrawn. Bill Bailey's district now includes 90 percent of the county's land area. Page 1B.

New office opens Monday

BELLE GLADE—The United States Postal Service will be doing its Belle Glade business at a new location Monday, July 26.

It will be moving from its old location at 149 SE Avenue D to the old Siboney building at 1340 NW Avenue L.

The doors will open at 8:30 Monday morning, said Postmaster Don Sivyver, and people with Post Office boxes may pick up their mail beginning at 9 a.m.

Post office box holders may pick up their mail at the old post office location until 10 a.m. Saturday, July 24, said Sivyver.

The boxes will be moved physically to the new location so new keys or combinations will not be necessary.

The move is just the first phase of the operation, according to Sivyver.

Plans call for remodeling the building, including the lobby and post office box areas.

In the meantime, temporary facilities will be set up at the new office, said Sivyver.

"We're doing pretty good," he said. "We're right on schedule for the move. We're going to run nip and tuck with the phone service, but hopefully we'll have telephones there when we open on Monday."

Harvin publishes article

BELLE GLADE-Remar M. Harvin, Director of Planning and Community Development recently

REMAR HARVIN

published an article, "Code Enforcement: A Small City Insight" in Fire Management Review, a national newsletter.

Fire Management Review is published bi-annually by the International City Management Association (ICMA).

Harvin's articles tell of the establishment of a Code Enforcement Board for the City of Belle Glade and examine how Belle Glade uses this regulatory board.

With funding from the Federal Emergency Management Agency (FEMA), the ICMA will

published an extended article along the same lines in a Management Information Service Special Report in September.

Harvin is one of two professionals from Florida in the field of code administration

and enforcement asked to submit articles for the publication.

This Special Report will be widely circulated to more than 7,000 local government administrators and their code enforcement staff in 50 states and 30 countries.

Lease renewal

likely in Pahokee

PAHOKEE - The Pahokee City Council will probably renew the lease with the current operator of the harbor concession stand.

The council hashed out the details of the lease with William Joiner at a workshop session Wednesday, July 14.

Joiner and a partner, Marvin Averill, had entered into the lease with the city in January 1981. It is due to expire in January 1983, and Averill had decided to drop out of the partnership, according to Joiner.

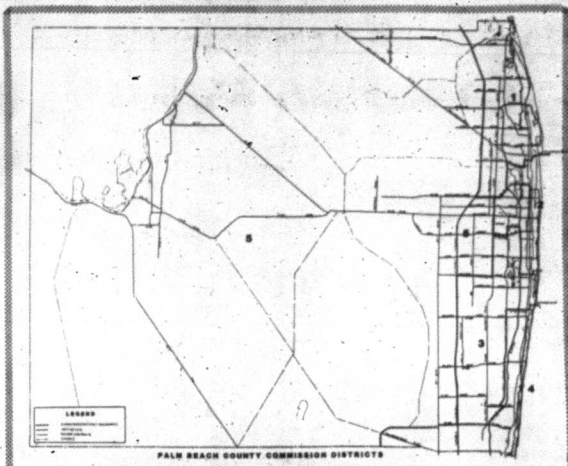

As part of the new agreement between Joiner and the city, Joiner has agreed to have the restrooms at the harbor cleaned if the city will furnish the supplies.

The city council also discussed the possibility of deleting a clause in the old lease making the city responsible for all utility fees.

Joiner told the council that if he was to pay for utilities, he should have control over all fishing areas of the harbor. The current contract does not give him control over the T-dock, where people can fish for free.

"Mr. Averill and Mr. Joiner have been very cooperative," said Councilman William E. McInstry. "They've been better than previous operators."

Nine of our states got their names from the river that flow through them: Minnesota, Colorado, Connecticut, Illinois, Mississippi, Nebraska, Ohio, Oregon and Wisconsin.

Taxing ordinance passed

WEST PALM BEACH - Citing their desire to bring all standard roads in Palm Beach County up to standards, and provide all residents of the unincorporated areas of the county with better road facilities, the Palm Beach County Commission has approved unanimously a new Municipal Solid Waste Taxing District ordinance.

The new ordinance, passed during the board's regular session on Tuesday, July 20, creates five taxing districts designed to provide road and street improvements by, tax levies, property owner contributions, and other funds provided by the county under the terms of the new ordinance.

The board is expected to provide initial funding for the M.S.T.U.'s during the fiscal year 1982-83, however the amounts in each district is uncertain at this time until commissioners complete the current county budget reviews, which will last until the first two weeks in August.

Under the ordinance, residents of any M.S.T.U. district can petition the board of county commissioners for road improvement in their respective

districts, with at least 51% of the property owners in favor of the petition. The board would then decide which projects would be undertaken, and begin the process of levying taxes, and collecting pro-rata contributions from property owners to fund completion of the proposed road or street improvements.

The new ordinance will become effective upon receipt by the state that the board has approved the new law.

In other action the county commission: Approved unanimously a resolution sponsored by commissioner Frank Foster, that would force the Palm Beach County Solid Waste Authority to change its current position on the location of a solid waste resource recovery plant. Currently the SWA, by a majority vote is supporting Site 6, near Century Village off Haverhill Road, as the primary site for locating the plant that burns solid waste to produce electricity. Three members of the county commission who serve the SWA, have voted against Site 6, since it was first recommended, but the four municipal

representatives on the SWA, have continually voted in favor of Site 6. The resolution approved by the county commission, would provide \$150,000 to the SWA from the county, in return for the SWA

reversing its position on locating the garbage burning plant at Site 6, and supporting the plant's location at the current county landfill at Dyer Blvd., west of Riviera Beach.

High school burglarized

BELLE GLADE - Belle Glade Police are investigating the weekend burglary and ransacking of the Glades Central High School annex.

According to police reports, the building was broken into and several rooms ransacked between the time the building was closed Friday, July 16, at 5 p.m. and the time it was opened at about 7 a.m. Monday, July 19.

Assistant Principal Charles Lockmiller discovered the results of the weekend incident and informed the police.

According to the police report, the building was broken into with a knife and screwdriver. Several

classrooms and storage rooms were ransacked. Tool boxes and tools were removed and a cutting torch was taken from the welding shop and used on the safe in the administrative office.

The burglars also allegedly attempted to open the safe by removing the hinges, but were unsuccessful in both efforts.

An undetermined amount of goods were stolen from the annex located at 501 NE Avinge Road, an estimated \$2,600 in damage was inflicted.

The incident is being investigated by Officer Barry Finley and the crime scene was investigated by Officer Bill Murray.

Ice cream job thwarted in Pahokee

PAHOKEE - Things can get a little hot in the Everglades. Hot

enough for a nice cool ice cream break.

An ice cream break

last week by three

Pahokee students

resulted in their arrest

for burglary, because it seems the ice cream wasn't theirs, it was the property of Palm Beach County School Board.

Willie Frank Freeman, 15, of Padgett Circle, who claims to be a janitor trainee at Pahokee High School, and two juvenile friends, Ivetton Smith, 17, of 678 Widden Road and a 15 year old male, had allegedly entered the school through a cafeteria window and taken some ice cream bars from the kitchen. "It's the same window everyone enters," said Patrolman Mike R. Harlow. "Everyone in town knows about it. I don't know why they don't do something about it."

Lottery

[Continued from Page 1]

and two automobiles in the operation.

According to Johnson, the arrests are "part of an ongoing investigation into organized crime in the city of Belle Glade by Chief D.B. Mathis."

RINER BROS., INC. RBI
URETHANE TECHNOLOGY SYSTEMS

ATTENTION! CONVENTIONAL HOME OWNERS & MOBILE HOME OWNERS

Waterproof and Insulate with RBI - Note:

QUESTION: In recent years I have heard more and more about Urethane, simply asked, What is urethane foam?
ANSWER: RBI's first comment to you is that this is a good and often misunderstood question. If we eliminate the chemical names the answer is also simple. "Polyurethane" is actually the correct name. Polyurethane is an insulating material formed by two chemical components. Both are liquids and heated, these heated components are pumped through pre-heated hoses and mix at a spray gun. The mixed materials expand in a matter of seconds and a few moments later becomes a closed cell insulating product. The superior insulating ability of urethane is due to the presence of an inert gas trapped in millions of tiny cells. It is these cells that give urethane its ability to inhibit heat transfer.

QUESTION: If insulation was it's origin, how has urethane advanced as far in the construction field as it has, especially in roofing?
ANSWER: Urethane's characteristics, having adhesive strength greater than compressive strength, it provides structural benefits to what ever type surface applied. Being spray and rigid when cured, it is seamless for waterproofing. Coupled with insulation qualities, in a few years quickly overcomes initial application costs, due to savings in heating and coating bills. Closed cell construction allows for easy repair in case of storm damage. Urethane's thermal insulating shock resistance, eliminates costly deterioration common to conventional roofing systems, in a climate such as ours.

New central office installed

PAHOKEE - Southern Bell's new central office for Pahokee arrived Thursday, July 15, and was moved into place with a crane the next day.

The office is the most technologically advanced digital electronic system available, according to Bob White, the local Southern Bell manager.

"This office, for the first time, will make Touchtone service and all the custom calling features available to Pahokee residents," said White.

Those features include call waiting, speed calling, three way calling and call forwarding.

The new office will go into use in November when over 2,800 Pahokee customers are transferred to it.

A command center will be established at noon one day before the

cutover and will remain operation until 6 p.m. one day after the cutover to direct the conversion, according to White.

Service technicians will also be stationed at the hospital and Pahokee police station to ensure continuous communication to those agencies, according to White.

"Replacing our existing central office with an electronic office is by no means an easy or inexpensive chore," said White. The conversion project, priced at one and a half million dollars, has been in the works for about a year.

"The average person has no idea of all the things that must be done to complete a job of this magnitude," White continued. "We have been holding monthly interdepartmental meetings for quite some time to ensure a smooth conversion."

THE NEW SOUTHERN BELL Pahokee office is set into place last Friday, July 16.

Woman faces charges

BELLE GLADE - A Belle Glade woman is facing aggravated child abuse charges stemming from a weekend incident in which five children were discovered locked in an apartment.

According to police reports, Cynthia Laidler, 28, of 525 SW Avenue B number two, allegedly locked five children ranging in age from six months to eight years in an apartment Saturday, July 17, while she went to a bar.

Two Belle Glade Police officers, Sergeant William Bullock and Officer Ray Swaford, arrived at the apartment at about 1:51 a.m. Sunday, July 18, after receiving an anonymous tip.

According to the report, they cut off a padlock on the front door and entered where they discovered the back door was barricaded by furniture and appliances, barring escape in case of fire or emergency.

Laidler was arrested and charged with aggravated child abuse. She was released on bond earlier this week, according to police.

Donovan accepts AREC appointment

BELLE GLADE - Dr. William (Bill) C. Donovan has accepted appointment as Assistant Professor, Extension Specialist of sugarcane and other field crops.

His academic appointment is in the Agronomy Department of the University of Florida. He will be located at the Agricultural Research and Education

Center, Belle Glade where his assignment is for 70 percent extension and 30 percent research.

Dr. Donovan is a soil scientist with training in agronomy. He recently received his Ph.D. from Ohio State University.

He is expected to start in the new position September 15.

Housing in the '80s seminar set

WEST PALM BEACH - The Palm Beach County Housing and Community Development Coalition is sponsoring a seminar entitled "Housing in the '80s" on Friday, July 30 at the Ramada Inn, 1800 Palm Beach Lakes Blvd.

The program will include "Viewpoints of Elected and Appointed Officials Regarding Housing Issues Affecting Low and Moderate

Income Families" and "Housing and Community Development Issues."

The seminar will close out with a panel and public discussion of housing issues.

Among the many officials participating in the seminar will be Thomas Jenkins, Deputy Assistant Secretary for Housing and Equal Opportunity, HUD; Gary Demarck, executive

director, Florida Community Development Association and Ray Liberti, Representative, Florida State Legislature.

Also participating on the program will be Remar Harvin, Chairman, Palm Beach County Housing and Community Development Coalition and Director of Planning and Community Development City for Belle Glade, Thomas

Altman, Mayor of Belle Glade and Verita Cox, Vice-Mayor of South Bay.

Registration fee for this day long seminar is \$10 per person. Registration information

regarding the seminar contact the Palm Beach County Housing and Community Development Coalition, 2300 Palm Beach Lakes Boulevard, Suite 300, West Palm Beach, Fla.

Election

[Continued from Page 1]

ing his current term. Altman said the package would include

tax incentives and zoning and development help for new businesses locating in the city, and industrial development bonds.

"Presently the tax base of Belle Glade is small. The package will encourage businesses to develop in the city, thus expanding our tax base and providing some economic diversity in Belle Glade," he said.

Altman said he would also like to work on a master plan for the airport facility that is both functional and aesthetically pleasing to the residents.

Altman lives at 809 N.E. 22nd St.

The last day for candidate filing is August 25. City Clerk June Boglioli said no other individuals have picked up candidate qualification packages at her office.

The final day of voter registration for the election is August 14.

Perspective

Delays jeopardized wild life's fate

The deer hunt and the rescue operation are over.

The National Wildlife Rescue Team called off the rescue efforts Monday when the organization's leaders realized they were going to fall short of their goal of saving 100 deer.

A manpower shortage and lack of resources were cited as the reason for halting the rescue efforts.

The Game and Fresh Water Fish Commission cancelled the hunt because its officers felt the herd in the Everglades Wildlife Management Area was beyond saving.

Court delays, brought on by legal maneuvering by environmentalists, allowed the herd to deteriorate too far, said the commission's executive director, Robert Brantly.

The commission is, in essence, giving up the remaining deer population in the area to death by starvation, overcrowding or predators.

We view this as the unfortunate and deplorable result of two groups refusing to come to terms until it was too late to effectively do anything about the problem.

The environmental interests and hunters have proven over the course of the weekend that they can work together, with different means, towards the same ends.

If they had come to that realization sooner, perhaps the deer population in the Everglades could have been saved.

South Florida is a land of extremes. Our weather fluctuates between the drought which permitted the deer population to balloon, and the flooding which put that enlarged herd in jeopardy.

Chances are very good that something like this will happen again. If it does, we hope that both sides are willing to work together early in the crisis, and that they can find a solution before it is too late.

The politicians are coming

It's election year and Glades residents are once again being treated to the same sad tune.

The politicians are coming here in hordes, singing their promises from every bough of every tree. As sure as late autumn brings the smoking cane fields of another harvest season, the politicians' arrival heralds the coming of another election.

Once the election is over, we won't see many of these people again. And we'll probably see even less of their promises.

So far, L.A. "Skip" Bafalis has made the promise Glades residents are most anxious to see kept, but, if the past is any indication, least likely to be promised to four lane state road 80.

Of course the incumbent state house administration isn't above playing politics with the same issue. Work is beginning on the resurfacing of a section of the killer highway.

We appreciate the repaving, but prefer the four-laning. A better paved road won't necessarily help save lives on a road built so tight up against canals and steep embankments.

On the other hand, we think Glades voters are more intelligent than to believe any promise of four-laning on its face. They've heard that tune before. It's a standard pulled out and dusted every election year.

Now we just have to convince the politicians that what would convince us more than words is action.

Pinkney assigned to Keesler AFB

Airman Anthony M. Pinkney, son of Willie O. Pinkney of 853 Padgett Circle, Pahokee, has been assigned to Keesler Air Force Base, Miss., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, the airman earned credits toward an associate degree in applied science through the Community College of

Anthony M. Pinkney the Air Force.

The airman will now receive specialized instruction in the personnel field.

He is a 1977 graduate of Pahokee Junior Senior High School.

History of the Glades from back issues

20 YEARS AGO
THE BELLE GLADE HERALD
JULY 19, 1962

The Florida sugar industry, with a new sugar act passed by the Congress, expected to produce \$100 million in sales and pay 15,000 employees \$25 million a year.

In a letter to Gov. Farris Bryant, United States Sugar Corp. President Harry T. Vaughn said he felt the sugar industry would be able to sell all the sugar it could produce under the terms of the act. Under the new act, the Florida industry's quota was increased from 649,460 tons to 895,000 tons a year, an increase of 37.8 percent.

The five-year act just passed was to expire Dec. 31, 1966.

A pair of Belle Glade girls helped celebrate the 50th birthday of the Girl Scouts of America by attending a national roundup.

Johnnie Nutt and Barbara Wolf joined 10,000 other girl scouts in Button Bay, Vt. at the 10-day roundup.

More than 80 persons, including 60-odd visitors, ate a Hawaiian-style fried chicken and vegetable dinner during the installation of officers of American Legion Post 161 in South Bay.

Officers installed were Commander Art Powell, Adjutant W.C. Allen, Vice Commander William Massey, Finance Officer W.C. Allen, Chairman Eric Hartline, Historian Bob Austin, Sr., Arms James Spradley and Service Officer Sam Henderson.

30 YEARS AGO
THE BELLE GLADE HERALD
JULY 18, 1952

More than 1,500 acres of land was being set aside for planting rice, with the aid of veteran rice growers and seed cane from Texas.

A newly formed rice cooperative had found a site beside the Florida East Coast Railroad and just west of Pioneer Growers Cooperative to build a drying and milling facility, expected to be ready for operation by November.

Carol McDonald of Belle Glade left the city to go to Detroit as a potential player for the Detroit Lions.

McDonald said he hoped to make the team in an effort to complete his college education at the University of Florida, where he lacked the necessary credits in ROTC.

The Palm Beach County Commission changed its plans about where it wanted to put a bridge to cross Hillsboro Canal at 6-Mile Bend.

The decision came after a circuit court jury decided to award \$40,707 to landowners for rights of way to property where the bridge was originally planned.

The new plan involved diversion of the canal.

40 YEARS AGO
THE BELLE GLADE HERALD
JULY 17, 1942

The Everglades Experiment Station was making a study, as part of a special war effort, of

several species of plants known to produce rubber in substantial quantities.

The Belle Glade experiments were part of an overall project taking place in three locations throughout the state under the direction of Dr. J.R. Neller, bio-chemist in charge of the local station.

All the plants being investigated produced lower yields of latex than Hevea, the plant normally used, and they had waxes and other substances which made extraction difficult.

The plants being investigated included goldenrod, rabbit brush, guayule, pink allamanda shrub and kok-segys.

A group of 25 local men left by bus for Camp Blanding and their final examinations for induction into the Army.

Originally, 31 were slated to go but two joined the officer training course, one enlisted and six failed to show up.

Fast trucks were going to have an extra penalty thrown at them, according to one state official.

The official said truckers caught speeding wouldn't be allowed to buy new tires.

"Certainly there is never any necessity of any loaded truck driving in excess of 35 miles per hour loaded and 40 miles per hour light," the official said.

30 YEARS AGO
THE EVERGLADES NEWS
JULY 22, 1952

All but one employee at the Everglades Drainage District were laid off as a result of a court order forbidding the district from paying employees until after bond retirement obligations were met.

The action came during a meeting in West Palm Beach. The only employee left on the payroll was Ben Herr, who would serve as secretary. Herr was also an employee of the Okeechobee Drainage District.

District funds, according to the front-page story, had been so depleted there wasn't enough left to pay for compiling the tax rolls.

In a related story, a committee of the bondholders didn't refuse to cooperate in the conduct of the affairs of the district.

The committee had offered cooperation, according to the story, and their communication was ignored.

Plans were made and announced for building a 24-bed hospital at the State Prison Farm in Belle Glade, according to Dr. W.J. Buck, medical director at their farm.

Buck said the plans called for a 12-bed ward for black prisoners and one of a similar size for white prisoners.

Two single-bed rooms were included in the plans for special cases, as well as a 16X16 foot operating room.

Construction of a 23-mile extension of SR 25 through South Bay and Hendry County was announced.

A permit was also granted by the War Department to build a bridge over the Kissimmee River at Eagle Bay in Okeechobee County and 11 miles of resurfacing was near completion on US 441 between Belle Glade and Pahokee.

Inauguration Friday

BELLE GLADE—The Belle Glade-Pahokee Alumni Chapter of Kappa Alpha Psi will hold its inauguration ceremony Friday, July 23 at the Lake Shore Civic Center.

According to Horace Dozier, reporter for the

fraternity, State President Ulysses McBride will be in attendance. Local President Edie Rhodes of Belle Glade is spearheading the inauguration activities.

Also participating in the program will be

Kappa Alpha Psi members, Charlie Laws, vice-president, Keith Babb, treasurer, Devose Dozier, Lomie DeVose, Jerry Ford, Johnny Webb, Michael Joseph, Gerome Govan and Robert Hart.

Also expected to participate in the ceremony will be Robert O'Neal, a student at Fayetteville, State College and a member of the fraternity.

Following the inauguration, a banquet will be held for members of Kappa Alpha Psi and their guest.

Dozier said attendance will be by invitation only.

REV. AND MRS. PERCY BASS

Rev. Bass honored

FORT PIERCE The St. John Missionary Baptist Church observed their pastor Rev. Percy C. Bass, Eighth Anniversary on Sunday, July 18.

Rev. and Mrs. Bass are residents of the City of Belle Glade. They live at 608 S.W. 11th St.

The Anniversary services were rendered by the Triumph Church, Rev. Dawson, pastor the Greater Hope Missionary Baptist

Church of Pahokee, the Rev. W. M. Houder pastor and the Mt. Zion Baptist Church of Indiantown, the Rev. Tommie Bass, pastor.

During the program many tributes, gifts of love and appreciation were presented to Rev. and Mrs. Bass.

Rev. Bass also is the pastor of the First Baptist Church of Jacksonville.

Among the many persons helping to make the program a

success were Mr. and Mrs. Freddie Bass, the son and daughter in law of Rev. and Mrs. Bass.

Keeping the Faith

by Joe Ed McGahey

"Pray for the peace of Jerusalem" Psalm 122:6
"I will bless those who bless you, and whoever curses you I will curse," Gen. 12:3

The world's anti-SEMITISM is again raising its ugly head. This time it is over Israel's invasion of Lebanon. It is as if no one else had been involved for the past twelve years. Well, let us look at some recent history. In 1970, the P.L.O. was run out of Jordan, so the went to Lebanon. The result of their activities in Lebanon was civil war. The government of Lebanon, which was a democracy, fell and the country for twelve years now has been ruled by foreigners. During this time the Syrians moved 30,000 troops into Lebanon. So the people of Lebanon have been controlled by P.L.O. terrorists and Syrians for several years. During this time there seemed to be little or no concern for what was happening to the people of Lebanon. We just ignored a very bad situation. But, as soon as Israel goes into Lebanon to first of all make its own northern border safe and then decides that while it is there that the government of Lebanon shall be restored there is a great outcry.

Now I am aware that many people have been killed in this present war. It is always a terrible thing for this to happen. War at its best is horrible. It is a horrible destruction of life, property and of moral values. Some of these things happen in the midst of war, but this war did not begin when Lebanon was invaded by Israel. It had its real beginning when Lebanon was invaded by the P.L.O. and Syria.

There are many Arabs and Palestinians living in peace in Israel now and many of these people own their own businesses. Economically most of them are better off living under the rule of Israel than they were before. Then there are two other bits of history that we need to be reminded of. The first is that Jordan was at one time part of what older maps call Palestine. It was part of the British mandate of Palestine. During that time England took 77% of Palestine and formed a Palestinian state—the nation of Trans-Jordan, (now known as Jordan). The second bit of history is that after the Arab-Israeli wars, many Palestinians fled Israel at the urging of the Arab nations. But what happened when these people arrived in the Arab nations (most of them in Jordan)? They were put in refugee camps and at first only the U.N. and the U.S. gave any support to feeding these people. The other Arab nations put them in camps to rot. Not only that, but when the P.L.O. got out of hand in Jordan, King Hussein (that great moderate Arab king of Jordan) killed thousands of them—men, women and children, with machine guns. Meanwhile, the Arabs that stayed in Israel were able to own property, be in business and live in peace.

Now by all of this, I am not trying to say that everything that Israel does is right. It is not. For one thing, the Jews, like all other people, need Jesus Christ as their Messiah. Without that relationship, they, like anyone else is lost.

There is no way to live in God's will apart from Christian salvation. But, God raised up the Jewish people into Himself, as a nation. He is not done with them yet. According to both Old and New Testament prophecy for at least my understanding of it, God is going to bring these people back to THE LAND in the last days and establish them as a nation. After this He will bring them back to Himself spiritually. The first part of that prophecy is fulfilled, the second part is yet to come.

Stacy helps dedicate clinic

TAMPA Jennifer Stacy of Belle Glade started her year as Grand Worthy Advisor of the Order of the Rainbow for the state by helping dedicate a new Scottish Rite Aphasia Clinic.

Miss Stacy was installed into her new office last month. She and Ellen Clark, the State Mother Advisor, attended the dedication with Miss Stacy's father, Dale and Mrs. Clark's husband, Don.

Miss Stacy's charity project for the year is to raise funds to purchase equipment for the aphasia center.

Childhood Aphasia according to the Scottish Rite Bulletin is an affliction where a small portion of a child's brain either failed to develop or was damaged prenatally or at birth.

This renders the child incapable of hear

ing to talk in the usual manner in which children normally learn to talk.

The Scottish Rite Masons provided the funds for the building and the facility is open to anyone in the State of Florida who needs these facilities.

According to a Belle Glade Mason, Dr. Robert Allen, there is no charge for treatment but for those who can afford to pay something it helps.

The Scottish Rite Foundation is located at 5500 Memorial Highway Tampa.

PBJC employees honored

Palm Beach Junior College honored its classified employees at the sixth annual Staff Recognition Luncheon held July 15 in the college cafeteria.

Plaques were presented to employees who recently retired. 22 staff members received awards for length of service and

for their perfect attendance in the past year.

PBJC president, Dr. Edward M. Jones, and president emeritus Dr. Harold C. Mason presented the awards.

A perfect attendance award was presented to Gladys Lealand of Belle Glade.

Yeager weds Zawadski

OKLAHOMA — Mr. and Mrs. Victor J. Zawadski of Belle Glade announce the marriage of their daughter, Linda to John C. Yeager, son of Mr. and Mrs. Richard E. Yeager of Sand Springs, Oklahoma. The ceremony took place June 7 in McAlester, Oklahoma.

Mrs. Yeager is a 1975 graduate of Glades Central High School, a 1978 graduate of the University of South Florida and a

1980 graduate of the University of Southern Mississippi.

Mr. Yeager is a graduate of McAlester High School.

Both Mr. and Mrs. Yeager are employed at the Carl Albert Mental Health Center, McAlester. She is a program evaluator and he is a recreational therapist.

The couple are making their home in McAlester, Oklahoma.

Mrs. Yeager's maternal grandparents are Mr. and Mrs. W.J. Norris of Belle Glade.

City offers swimming course

BELLE GLADE — The Belle Glade City Recreation Department will be offering swimming lessons at Lake Shore swimming pool starting next week on Monday, Wednesday and Thursday.

According to Recreation Coordinator Mike Underwood, the cost of the lessons will be \$1.25, the regular cost of admission to the pool.

Qualified lifeguards will be on hand to give the lessons, according to Underwood.

Alpha plans program

BELLE GLADE — The Western Palm Beach County Mental Health Clinic, Inc., Alpha Program is sponsoring its Second Awards Program.

According to John L. Asberry, Jr., Alpha Program Director, the purpose of the awards program is to recognize

students who have participated and successfully improved their academic skills and behavior while enrolled in the Alpha Program at Belle Glade Elementary School during the school year 1981-82.

The program will be held Thursday, July 29

at 6:30 p.m., at the Lake Shore Civic Center.

The theme of the program is "The Next Generation".

For entertainment, there will be creative dancing, poetry reading, modeling and singing.

Mrs. Olivia Fuller

and Mrs. Roslyn Agram, counselors for Alpha are coordinating the activities for the program.

Asberry said the Alpha staff and students cordially invite the community to come and share this extravaganza with them.

A Division

Glades Sugar beats Glades General 6-2

By JEFF BROWN
BELLE GLADE -- Glades Sugar closed an early inning one run deficit and stopped a one run rally in the seventh to beat Glades General Hospital 6-2 Wednesday, July 14, and tighten their grip on the top spot in the A Division.
 Glades General jumped to an early lead with one run on three hits in the bottom of the first.
 Raul Paez hit a Mike Frazier pitch with two out for a single into left field.
 Cecilio Rodriguez followed with a double into deep left to put two runners into scoring position.
 D. Trias singled into left to

drive in Paez from third. Glades Sugar's shortstop Kekay Ruiz cut off the throw from left fielder Dwayne Doney and relayed it to Randy Worth at the plate, who applied the tag to Rodriguez, who was trying to score from second, for the final out of the inning.
 Joe Mata, pitching for Glades General, threw perfect ball for the first two innings. In the third inning, he gave up one run on two hits.
 Doney hit a one strike pitch down the left field line for a double to lead off the inning.
 Randy Worth doubled into left center to drive in Doney and tie up the game.

After giving up one run in the first, Frazier shut out Glades General for five innings, giving up five hits.
 Meanwhile, the Glades Sugar bats were busy extending his lead.
 Glenn Collier dropped a lead-off pitch behind first base to lead off the fourth. He advanced to third when Mickey Freeman singled into right.
 Kenneth Funderburk hit a one out pitch into left field to drive in Collier and Freeman, giving Glades Sugar a 3-1 lead.
 Doney advanced Funderburk to second with a two out single down the left line, but Worth popped out to short to end the

inning.
 In the seventh, Glades Sugar added three more runs and gave up one to end the game at 6-2.
 Ruiz led off the Glades Sugar half of the inning with a single into left and Doney singled to center. Bobby Heffernan walked with two outs, bringing Mike Hadden to the plate.
 Hadden singled into left field, driving in Ruiz and Doney.
 An error by shortstop Carlos Rosario allowed Heffernan to score and Hadden to advance to second.
 Collier grounded out to third to end the top of the seventh.

In the bottom of the inning, Glades General attempted a two out rally, but only scored one run.
 Juan Ruiz knocked a two out single into left center. He advanced to second on a single into left by Luis DeJesus.
 Angel Alava drove in Ruiz with a single into left center.
 A. Maura walked and Ron Pittman came to plate with runners at second and first, two outs and hit team down by four.
 He took one strike and hit the second pitch to the left fielder, Doney, who caught it for the final out of the game.

In other A Division games, it was Carter Chevrolet 9, Bobby Canipe 4; Mace Sod 4 and Glades General 3. Okelanta crushed Bobby Canipe 11-4, and Mace Sod shut out the All Stars 12-0.
 Carter Chevrolet shut-out Okelanta 10-0. Mace Sod defeated Glades Sugar 9-7. The All Stars defeated Glades General twice by 10-2 and 9-2 scores.
 Tonight are the finals in the play-offs. Late last week, Mace Sod and Glades Sugar had each clinched play-off berths. The other two spots were being battled for by Okelanta, the All Stars and Carter Chevrolet.

B Division

Duda wins four of five to clinch top spot in division

By JEFF BROWN
BELLE GLADE -- Duda won four of five games last week to clinch the top spot in the B Division as the regular season closed.
 Tonight, the play-offs between the top three teams in the B Division end with the crowning of the champions.
 Duda, Everglades Farm Equipment and Theo's were the three teams contending for the title in post-season play.
 Last week, Duda split a double header with E.F.E., losing

the first game 8-5 and edging E.F.E. in 11 innings in the second game, 3-2.
 Duda picked up two runs early, scoring on four hits in the first.
 Terry Combs singled to lead off the first and Alan Compton followed with a single.
 Eddie Boswell knocked in Combs with a one out single and Billy Sanchez singled to knock in Compton.
 Ken Schlechter singled to lead the bases, but a fly out

center and throw from the center fielder to second got E.F.E. out of the inning.
 Marvin Bain, pitching for Duda, held E.F.E. scoreless on three hits in the first three innings, but E.F.E. tied up the game in fourth with two runs on two hits.
 Mayon McMullen hit a one out single and Mark Orsenigo walked. Robert Throckmorton loaded the bases when he reached on a left fielder's error.
 P. Webb singled to drive in

McMullen and Orsenigo.
 The score was tied at two at the end of the regulation seven innings.
 E.F.E. threatened in the sixth with the bases loaded and one out. But a fielder's choice and a fly ball to right field ended the inning with the score still tied, 2-2.
 The teams remained deadlocked through three extra innings. In the eleventh, Duda broke the tie to win the game.
 D. Bain hit a one out single

and was driven home when the next batter, Chuck Anderson, doubled. Juan Baez flew out to left center and Jeff Jones grounded out to second to end the top of the inning.
 In the bottom of the inning, Raymond Cunningham lined out to the pitcher and Ken Coghill grounded to Marvin Bain on the mound.
 McMullen hit a one out single to keep E.F.E. alive, but Orsenigo flew out to center to end the game.

In other B Division, Duda shut-out Theo's 12-0 and defeated the Seminole Supply Oldtimers 14-2.
 Theo's downed Ag Service 12-3 and shut out Seminole Supply 17-0. Everglades Farm Equipment strengthened its hold on second place with a 7-6 victory over third place Theo's. The Oldtimers got revenge for their two losses earlier in the week by beating Ag Service 10-5 and Quaker Oats 12-10. Duda crushed Quaker Oats 14-2.

EVERGLADES FARM EQUIPMENT city league softball team -- Front row from left: Stewart Stein, Ricky Alfonso, Robert Throckmorton, Ken Coghill, Mark Orsenigo and Wayne Marchant; back row

from left: Tom Yancey, Mayon McMullen, Timmy Laster, Barry Underwood, Jose Mirabal, Ronald Davis, Raymond Cunningham and Wayne Meadow. Not pictured are Billy Gressinger and Ken Cavine.

Players of the week -- Doney, Bain earn honors

An outfielder and a pitcher helped their teams retain first place status last week to earn the players of the week honors.
 Dwayne Doney, the center fielder for Glades Sugar, sitting atop the A Division, capped a brilliant two week performance down the stretch with a six for six week.
 In the past two weeks, he has picked up ten hits in 12 at bats. Last week, he collected two singles and a double in three trips to the plate against Mace Sod, scoring two runs and driving in two.
 Against Glades General Hospital, he also went three for three. He doubled once and singled twice, scoring two runs.
 Marvin Bain, the pitcher for Duda, led his team to four victories in five games to help Duda clinch first place in the B Division.
 Not only did Bain pick up the four wins, he also helped his team with the bat.
 He had 12 hits, including 11 singles and one homerun, in 20 at bats, driving in nine runs and scoring ten.

VOLUME 44-NUMBER 40

THURSDAY, July 22, 1982

BELLE GLADE-PAHOKEE, FL.

Career day ends AEM Program

BELLE GLADE—For 306 Glades students participating in the Alternate Education Model (AEM) program sponsored by the Summer Youth Employment Program, Monday was their day to attend summer classes at Glades Central Community School.

Mrs. Earlene Hudson, AEM Coordinator, said the program ended for Glades youth with a Career Day Seminar held in the Glades Central Community School library.

Mrs. Hudson said the work experience pro-

gram, coordinated by Mrs. Barbara W. Kight is still in progress.

Youth 14 and 15 years old participated in the AEM Program. The participant were from various cities located in western Palm Beach County.

The six week program offered local students courses in Communications, Math and Career Explorations, four days a week from 1 to 6 p.m. Eight teachers were employed in the program, they included Ernestine Brown, Lynette Butts, Jackie Griswell, Paul Peterson, Fannie Hart, Johnnie Smith, Daphne Young and Betty Morris.

Mrs. Lois Lewis was the Occupational Specialist for the program.

During the final stages of the program, Mrs. Lewis said several career related activities were held.

On Wednesday, July 14, the participants were given a tour of West Technical Education Center and on Thursday, July 15, Miss Sheralyn Blake, a communication specialist with the Palm Beach County Sheriff Department, Community Relations Unit, presented a program on "Drug Abuse."

The AEM Program was sponsored by the Urban League of Palm Beach County and the Palm Beach County Commission.

staff photos by Alma Henry

THE GLADES CENTRAL Community School was filled to capacity Thursday when the Palm Beach County Sheriff Department

Community Affairs Division presented a program on drug abuse.

MISS SHERALYN BLAKE talks with students in the Alternate Education Model Program about drug abuse.

Eligible voters may register July 31

BELLE GLADE—The Palm Beach County Mobile Registration Unit will register eligible voters in the Glades on Saturday, July 31.

According to Jackie Winchester, Supervisor of Elections, the mobile unit will be at the Glades Plaza, 633 S.W. 16th St., Belle Glade from 10 a.m. to 2:30 p.m., and at Thriftway in Pahokee, 181 Radin Ave., from 3:30 p.m. to 8 p.m.

GED exam given at GCCH

BELLE GLADE—The Florida G.E.D. (General Education Development) examination will be given at the Glades Central Community School Annex on the evenings of August 31 and September 1 and 2. The exams start at 6 p.m. each evening and the three evenings from 6 to 9 p.m. are required for full testing.

The last day of registration for the testing will be Wednesday, August 25, at the Annex Adult Education Office, phone number, 996-4950.

Retakes are available and the tests may be taken in English or Spanish.

The next testing date is October 5, 6 and 7 and Nov. 2, 3 and 4th.

BELLE GLADE—A plant clinic will be conducted by Gene Joyner, Urban Horticulturist, Palm Beach County Cooperative Extension Service, at the Glades Agricultural Office, 2979 North 441, Belle Glade, on Friday, August 6, from 11 a.m. to 12 noon.

Many people have problems with various

plants in their landscapes and need help in diagnosing what the problem is and how to correct it. This plant clinic is set up for the purpose of allowing the public to bring in any problems they are having with their trees, shrubbery, or lawns, and an agent will be available to look at the samples and diagnose the problem.

Bulletins on various subjects are also available at the agricultural Extension office and those attending the plant clinic are certainly encouraged to pick up bulletins of interest to them.

Joyner will try to answer your questions over the phone.

Swine t-shirts available

WEST PALM BEACH—For a \$4 donation to The American Cancer Society's Crusade, you will receive a free, commemorative swine t-shirt and hat, a remembrance from the First Annual Swine Ball held on Saturday, July 10.

Just send in your tax deductible \$4 check to: American Cancer Society, 2724 Australian Ave., West Palm Beach, Fla. 33407.

The t-shirts and hats will be mailed out promptly or you may stop by the American Cancer Society's office for pick-up.

According to Mary Mitchell, Crusade Director, t-shirts are available in small, medium and large and extra large for adults and small, medium and large in children's sizes.

The hats are one size fits all. For information call 655-4611.

New owner takes over bait shop

BELLE GLADE—The name may have changed but the service is the same at a local bait and tackle shop located in Belle Glade.

May's Bait and Tackle Shop officially became Kelly's Bait and Tackle Shop on July 1 when John Cecil Kelly, Sr., took over as the new owner.

The bait and tackle shop located at 1108 N.W. 16th St., Belle Glade was recently purchased by Kelly from Daniel A. Mays, who owned and operated the shop for the past 15 years.

Kelly said Mays, a native of Greensboro, N.C., moved back to his native state and is presently semi-retired.

Employed at Sugar Cane Growers Cooperative for the past 16 years, Kelly said it wasn't an easy decision to make, to go in business for himself.

"I really love fishing and owning a bait and tackle shop, is something I've always dreamed of doing," said Kelly.

An avid fisherman, Kelly, a 1967 graduate of Belle Glade High School said his wife, Linda Ann, and his sons, John Cecil Kelly, Jr., and Timothy Kelly will help operate the business.

Kelly said he will continue to offer a variety of bait and tackle equipment at the shop.

His regular stock will include live bait and a variety of plastic worms, reels, rods, and tackle boxes.

Kelly said he will also repair and clean Ambassador Reels.

The Kellys said Open House at the shop on July 9 and served over 200 pounds of fish, with hush puppies, cake and drinks to their customers.

Kelly's Bait and Tackle will be open from 6 a.m. to around 8:30 p.m., seven days a week. During the peak season, Kelly said the shop will open earlier and close at around 10 p.m.

Kelly said many local and out-of-town fishermen visiting the shop often asked where is "Dan", the former owner. "Mr. Mays made a lot of friends while operating his tackle shop," said Kelly.

Although Kelly will be in the shop the majority of the time, he said he plans to occasionally take time off to enjoy his number one hobby, fishing.

staff photos by Alma Henry

THIS NEW SIGN greets visitors visiting the old May's Bait and Tackle Shop, located at 1108 N.W. 16th St., in Belle Glade. John C. Kelly, Sr., recently purchased the shop.

JOHN C. KELLY, SR., AND JOHN C. KELLY, JR., will help operate the new family owned business, Kelly's Bait and Tackle Shop.

District five enlarged

WEST PALM BEACH—Palm Beach County now has five new county commission districts, after action taken by the board on Tuesday, July 13.

After two previous plans were held invalid by the circuit court, the board members approved a redistricting map that puts more than 90 percent of the county's land area into district number five, now represented by Commissioner Bill Bailey.

The new redistricting plan, while unbalanced geographically, does meet the constitutional requirements of Florida for equal population in each district.

The percentage of population in each district is: District No. 1, 112,459, or 19.6 percent. District No. 2, 114,519 or 20 percent. District No. 3, 113,544, or 19.8 percent. District No. 4, 117,359 or 20.5 percent and District No. 5, 115,464, or 20.1 percent.

The new districts went into effect immediately after the unanimous vote of the board of commissioners.

In other action the county commissioner: Approved the language that will appear on the Palm Beach County ballot in the up-coming Sept.

7, primary, proposing a county-wide tourist development tax. The tax would be one percent passed by the voters, and escalate to two percent Jan. 1, 1984. The tax would be levied against living quarters that are rented or leased for a period of six months or less.

The following is the precise language that will appear on the primary ballot:

Shall there be a 1 percent Tourist Development Tax, beginning October 1, 1982, increasing to a 2 percent maximum on January 1, 1984, throughout all Palm Beach County, levied upon the renting or letting, for a term of six months or less, living quarters in any hotel, apartment hotel, motel, resort motel, apartment, apartment hotel, tourist or trailer camp, rooming-house or condominium, with revenues used for a tourist development plan including cultural activities, under county ordinance?

The county commission gave the language of the ballot question unanimous approval. If passed by the voters, 70 percent of the tax revenues will be used for direct promotion of Palm Beach County as a tourist area, and 30 percent will be used to promote or support cultural activities in the county.

31 couples attend PHS class reunion

PAHOKEE--The Pahokee High School Class of 1962 had a festive class reunion over the Fourth of July weekend according to Mrs. Joan McKinstry Culberson, reunion chairperson.

Thirty-one out of 42 couples and 10 teachers "enjoyed a Fourth of July weekend of a 20 year reunion," said Mrs. Culberson.

The reunion activities got underway at 7 p.m. Saturday night, July 3 at the Pahokee Elks Club with a steak night sup-

Mrs. Campbell is the mother of a six month old daughter. Although not in the competition, Rebecca Rogers was honored for being an expectant mother.

The retiree award went to Jimmy Jackson, who has served 20 years in the United States Air Force.

Mrs. Culberson said the eight most important awards, eight packs of Lifesavers went to the classmates traveling the less distance. They all resided in Belle Glade and Pahokee.

Other highlights of the steak supper included the showing of old movies from the 1962 prom and graduation. A movie was also shown of the 10 year reunion held at the Belle Glade Country Club in 1972.

The evening ended with dancing to the songs of the 50's, renewing old friendships, sharing past adventures, celebrating the present and toasting the future, said Mrs. Culberson.

More fun awaited class members and their families on the Sunday according to Mrs. Culberson.

The youngest child award went to Janette Harrington Campbell.

On Sunday morning class members worshipped at the church of their choice.

A family picnic held at the Pahokee Harbor closed out the reunion. Mrs. Culberson said kids of classmates in attendance ranged from age 6 months to 20 years.

All in all, it was a weekend of fun enjoyed by all. Tears were shed and laughs were laugh-

ed," she said. Assisting with the reunion locally were Willie Adam Poole, Penny McKinstry Ward, David Fountain, Miartha Batiste Grayden, Don Kelly, Jeanette Harrington Campbell, Sue Campbell and Bill Johnson. Mrs. Culberson said she would like to thank the reunion committee for their support and help in making the reunion a success.

Program presented on state conventions

PAHOKEE--The Essence Unique Ladies Club of Pahokee met Tuesday, July 13 at the home of Mrs. Hattie Mae Newkirk.

Vice-President Deloris Robertson presided.

The highlight of the meeting was a report given by convention delegate Elsie Thomas on the Annual Session of the Florida Association of Women's and Girls' Clubs and Boy Auxiliary.

Mrs. Thomas also presented the members with brochures, certificates of awards and other materials presented at the convention held in West

Palm Beach in June. Also during the meeting, Mrs. Robertson was shown with birthday gifts from her club sisters. The members also sang "Happy Birthday" to Mrs. Robertson.

The hostess, Mrs. Newkirk served her guest refreshments. Members attending the meeting were Elsie Thomas, Deloris Robertson, Caroline Johnson, Jessie Mae Brinson and Hattie Newkirk.

The next meeting will be held at the home of Mrs. Diane Walker on Tuesday, Aug. 10 at 7:30 p.m.

Open house held for satellite office

Thin Life Center, a medically supervised weight loss center recently opened a "satellite" office in Belle Glade. The opening was announced at an open house which

was held at the Elks Club. According to Sharon Edelman, co-director of the West Palm Beach office, "We've had such a wonderful response from the

Glades area that we decided to set up the "satellite" to save our Belle Glade, Pahokee and Clewiston clients the traveling time into West Palm." The Belle Glade office, which is presently opened on a part time basis, is located at 1508 N.W. Avenue F, allows clients to be monitored twice a week in Belle Glade.

As Ms. Edelman explains, "Our program is not a crash diet. We don't use any 'gimmicks'. Clients are not required to take any drugs, shots or packaged supplements. Thin Life Center is a lifestyle program. Our intention is to help our clients unroot inappropriate eating habits and attitudes and replace them with a lifestyle that supports permanent thinness. And that takes a lot of reinforcement and hard work on the part of the client and our staff. But it works!"

"Proof of the effectiveness of the Thin Life Center program can be found throughout the Glades. At the Open House, several clients shared their experiences. Melanie Swager, a sixteen year old from Belle Glade, who has lost almost 100 pounds told of the new life and new opportunities opened to her now she's more than half way to her goal weight. Cathy Lee, who owns Kim and Tim's Children's Clothing Store in Belle Glade, shared that her 90

pound weight loss was a major factor in her newly found career.

Other Thin Life Center "superstars" include Mabel "Mutt" Wilmon from Pahokee. "Mutt" was out of town on the day of the Open House, but returned slimmer than ever and currently boasts a 65 pound weight loss. Karen Corbin from Belle Glade, a ninety five pound "loser," is well known in town for her musical talents and has graced many social functions with her organ and piano playing.

Ms. Edelman explains, "We're looking for the person who's tired of playing the dieting game and is ready to settle down to the business of making a serious commitment. We accept nothing less than a total, wholehearted commitment from our clients. And we support them in keeping that commitment alive. That's why our program works!"

Anyone interested in learning more about the Thin Life Center program should call the West Palm Beach office, which is located in the Embassy Square Building, 2247 Palm Beach Lakes Blvd., Suite 209, at 689-THIN (689-8446), to set up an appointment for a free, personal consultation, or call the Belle Glade office on Tuesdays and Thursdays between the hours of 9 a.m. and 1 p.m. at 996-0724. It could open up a whole new world for you.

Cook's Corner

Linda Sullivan

Our cook this week is Linda Sullivan, a lifelong resident of the Glades. She submitted a recipe for impossible pie. This pie makes its own crust.

Linda works at Sugar Cane Growers Cooperative, Belle Glade, in the payroll department. Her and her husband Charles have three children, Ben, 12, Patty, 10 and

Sherry, 6. Linda's hobbies include reading and knitting.

Note: In our description of last week's recipe contributor, Carolyn Watts, we stated that Carolyn had previously taught institutional cooking. Carolyn said she has never taught that particular course. We regret the error.

IMPOSSIBLE PIE

one half stick margarine or butter
four eggs
one half cup flour
one and one half cups sugar
two cups milk
one teaspoon vanilla
one small can coconut

Melt margarine. Beat eggs well and add to melted margarine. Beat in flour. Add sugar and milk. Mix well. Stir in vanilla and coconut. Pour into two well greased pie plates and bake at 350 degrees until pies are medium brown. Makes two pies.

Stedham

(Continued from Page 2)

Orleans Baptist Theological Seminary in New Orleans, Louisiana.

Rev. Stedham has been a member of several civic service organizations. He has participated in various community projects and served on the Civil Service Board.

He and his family have lived in the Glades since 1972. He has held positions as a Bible teacher, Dean of Students, Assistant Principal and Principal of Christian Day School in Belle Glade during those years.

A black and white crossword puzzle grid. The grid consists of black squares and white squares. Some white squares contain letters. The letters visible are:

- Row 1: A, B, I, N, S, C, Y, W, E, C
- Row 2: F, O, L, N, E, O, K, M, E, A, T
- Row 3: A, V, I, N, G, M, I, N, G, C, O, O, P
- Row 4: W, H, I, T, E, F, I, N, A, L, W, I, T, H
- Row 5: S, U, R, V, I, V, I, N, G, S, H, A, L, L, T, Y, N, G
- Row 6: L, I, G, H, T, G, O, D, A, N, G, E, L, S
- Row 7: E, N, E, F, I, T, I, O, N, A, D, J, U, S, T
- Row 8: O, R, I, G, I, N, I, A, L, A, W, A, Y

The grid is partially filled with these words, and there are many empty white squares for other letters.
